

This is what Byggnads wants in the Teknikinstallationsavtalet VVS & Kyl

- A wage increase of 4.2% and an increase in the extra pension contribution.
- Strengthen apprentice training and prevent them from being exploited as cheap labor.
- Individualized tools and separate changing rooms.
- Same piece rate factor throughout Sweden.
- Higher OB [unsocial hours] and overtime compensation.
- Extra money to reduce wage loss when you take parental leave for child care [vab].
- Earn work time reduction [ATF] even during temporary parental leave.
- Companies should take greater responsibility for effective inspections to combat crime in the industry.

This is what Installatörsföretagen want

- Make you work on public holidays without OB [unsocial hours] compensation.
- Bypass the union so you work more unsocial hours.
- Remove work time reduction [ATF].
- Reduce working hours: Give the employer the ability to change your employment to part-time.
- Introduce "health-promoting measures" instead of health checks.
- Introduce employment for "short-term work".
- Introduce individual wage setting that the employer alone decides.
- Make it easier for the employer to loan in and out personnel and use staffing companies.
